Zowe Conformance Program

Participation Form

Complete this form for each Participant (e.g., company or other entity) that desires to participate in the Zowe Conformance Program and to use the Conformance Marks. The Project Word Mark and the Conformance Marks are trademarks of The Linux Foundation. Capitalized terms used herein and not otherwise defined shall have the same meanings set forth in the Program Terms.

By signing below and submitting this form to The Linux Foundation:

1. The Participant agrees to the Terms and Conditions of the Zowe Conformance Program (the "Program Terms"), available at https://www.openmainframeproject.org/projects/zowe/conformance/terms-and-conditions

2. The Participant confirms that the products and services identified below as Qualifying Offerings either (a) have passed all of the tests that are marked required below, as described in the Test Evaluation Guide at https://www.openmainframeproject.org/projects/zowe/conformance/test-evaluation-guide or for Participant Conformance at https://www.openmainframeproject.org/projects/zowe/support-conformance/support-provider-evaluation-guide, and are Qualifying Offerings under the Program Terms; or (b) prior to usage of the Conformance Marks, will pass all of the tests described in the Test Evaluation Guide, and will be Qualifying Offerings under the Program Terms.

3. The Participant confirms that it has submitted, or will submit, to The Linux Foundation the results of the tests prior to its first public use of the Conformance Marks associated with the corresponding version of the Zowe Conformance Program.

4. The Participant confirms that it will either (a) maintain conformance of the Qualifying Offerings with the Test Evaluation Guide, or (b) cease use of the Conformance Marks if the products or services cease to be Qualifying Offerings.

5. The Participant confirms that it will promptly submit an updated Participant Form to The Linux Foundation prior to using the Conformance Marks with Qualifying Offerings not listed here.

6. I confirm that I am authorized to make the above statements and to submit this form on behalf of the Participant.

Participant Information

Company / Entity name: <u>Open Mainframe Project</u>

Contact address:

```
IBM,
Hursley Park,
Hampshire,
SO21 2JN,
United Kingdom
```
_____

Contact telephone: <u>01962816500</u>

Contact email: <u>winchest@uk.ibm.com</u>

Select one:

☒ Participant is a member of Open Mainframe Project

☐ Participant is NOT a member of the Open Mainframe Project.**Please contact Open Mainframe Project at <u>omp-zowe-conformance@lists.openmainframeproject.org</u> to discuss fees for participation in the conformance program.**

Qualifying Offerings

Name, brief description, planned release announcement date, and URLs for more information (will be used for populating Zowe App Directory listing at <u>https://www.openmainframeproject.org/projects/zowe/conformance</u>):

```
Zowe Explorer for IBM CICS
```
_____

```
This is an OMP Zowe software already available at
https://github.com/zowe/vscode-extension-for-cics.
```

```
This has already been released to the VS Code Marketplace at
https://marketplace.visualstudio.com/items?itemName=Zowe.cics-exten
sion-for-zowe
```
_____

If you are *only* applying for Participant Conformance as a Zowe Conformant Support Provider, and if you do not have *any* Qualifying Offerings, then please leave the above fields blank and please select the option below.

Participant Conformance

☐ Check here if you are submitting this form to qualify as a Zowe Conformant Support Provider.

Please see the applicable provisions of the Program Terms regarding "Participant Conformance", and the corresponding parts of the Test Evaluation Guide, before selecting this option.

Conformance Details

Initial Version and Components of Zowe Conformance Program tests for Conformance. Please verify and comment where needed that the participating offering has achieved the conformance criteria for each conformance type. A participating offering may submit for one or more of the Zowe Conformance types (API Mediation Layer, CLI, and/or App Framework) in a single application. For more details on the testing criteria, please refer to the Test Evaluation Guide.

☐ **Zowe API Mediation layer - Zowe v1**

Please list any items where your offering does not meet the criteria set forth in the Test Evaluation Guide:

_____

_____

_____

_____

☐ **Zowe CLI - Zowe v1**

Please list any items where your offering does not meet the criteria set forth in the Test Evaluation Guide:

_____

_____

_____

_____

☐ **Zowe App Framework - Zowe v1**

Please list any items where your offering does not meet the criteria set forth in the Test Evaluation Guide:

_____

_____

_____

_____

☒ Zowe Explorer for Visual Studio Code - Zowe v1

Please list any items where your offering does not meet the criteria set forth in the Test Evaluation Guide:

```
Criteria are all met, details are available at https://github.com/zowe/
vscode-extension-for-cics/blob/main/resources/conformance/test_evaluati
on_guide_table.md.
```
